Anne and Wes Goyer opened St. Bernard Sports over 28 years ago and have been providing the best snowsports selection in the Southwest. You can outfit yourself and the family with brands like The North Face, Spyder, Patagonia, Obermeyer, Arcteryx, Kjus, Prada Ski, Bogner, and now Erin Snow. We have plenty of favorites like The North Face Denali and the Patagonia Synchronilla as well as many other fleece products.

Our shop and hardgoods department provide the latest boot fitting technology, while offering the largest selection from Volkl, Salomon, Burton, Ride, Nordica, K2 and many more. We have expanded now into three stores including the only kid's specific store in the region.

President: Wes Goyer
